SOULSHINE BALI — A PLACE TO RESET, RECONNECT & SHINE

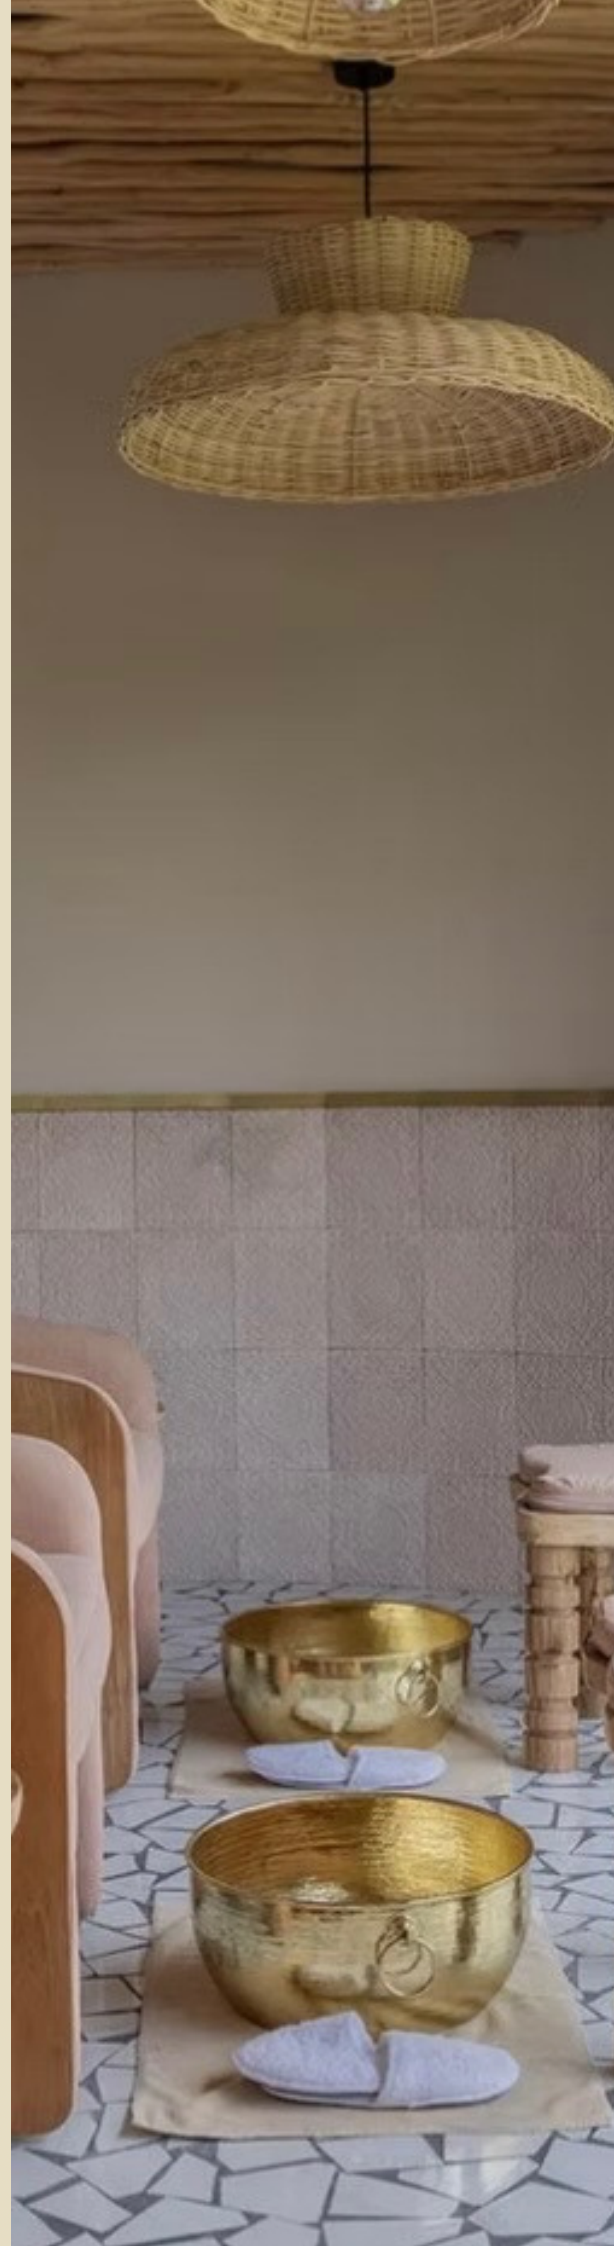

Nestled in the lush heart of Ubud,
Soulshine is more than a retreat, it's a
playground for the soul.'

Hosted by Jo & Marie, this barefoot-
luxury sanctuary brings together wellness,
movement, music, nature and connection
in one beautiful, soulful space.

Rooted in the Balinese philosophy of Tri
Hita Karana — harmony between people,
nature and spirit, Soulshine is a place to
slow down, breathe deeply, unwind and
reconnect with what makes you feel alive.

Think sunshine-filled days, nourishing
food, yoga, music, meaningful
conversations and beautiful moments
shared with beautiful people.

A space to connect, rejuvenate, reset and
bring a little more sunshine to your heart.
Come home to yourself — and let your
soul shine.
